Sir

I have the honour to submit for sanction of Government a copy of the resolution of the Municipal Council passed at their meeting held on 18-6-1920 approving a revised scale of pay and allowance to the Sub Registrars of Births and Deaths of the Department for the Registration of Births and Deaths of the Bangalore City municipality.

The present scale of Sub Registrars is a monthly of Rs 40-2-60 with house rent allowance of Rs 4/- This scale was fixed by the Government This rate being inadequate the Council proposed to revise the scale of pay as noted in the margin and to increase the number of Sub Registrars from 9 to 11 Of the extra two wards one will be placed in charge of the 3rd Division which will be split up into two parts and the other will be placed in charge of the Dn which has no separate ward no and is coupled with IV Dn These are very thickly populated areas and urgently need this additional establishment For meeting the extra cost which will be Rs 864 - a year due provision in the Budget for 1920-21 has been made A Proposition Statement is
